

VillagesDay

Those of you who've lived in the area for a while may know that we stage an event each year just for members of the local community, featuring several thrilling driving experiences. This year's event will take place on Sunday 9 July 2017.

For a small £10 donation to a local charity, you can participate in a number of unique experiences, including the chance to drive the Fosters circuit in one of our sensational new BMW M4 Coupés. Alternatively, you might prefer to tackle woodland terrain in a Land Rover Defender or storm through rally stages in a rear-wheel-drive Toyota GT86 rally car.

Please note that you'll need to present two utility bills as proof of your local residency on arrival at the circuit. Each adult resident is invited to bring along one guest from outside the area if they wish.

How the day works...

You can drive...

Anyone over the age of 21 who has held a full driving licence for more than 12 months will have the opportunity to drive one of the following cars for a £10 donation to a local charity:

RaceMaster Saloon

Take the sensational BMW M4 Coupé for a trip around the famous Oulton Park Fosters circuit, accompanied by one of our expert instructors.

RallyMaster

Attack one of our purpose built rally stages in one of our new, rear-wheel-drive Toyota GT86 rally cars, accompanied by an instructor.

MudMaster 4x4

Tackle our monster off-road course in the legendary Land Rover Defender 4x4.

Or you can ride...

For those who would rather be a passenger than a driver, the following rides are available. A £10 donation is required for the rides on offer:

SuperRide

Strapped in the passenger seat, you will enjoy a great view at ultra-high speed as a professional driver takes the Palmer Jaguar JP-LM sports prototype to its limits.

RallyMaster

Marvel at the amazing car control of a professional rally driver, as you slide your way around an off-road stage in a works-prepared rally car.

MudMaster 4x4

Be piloted round our MudMaster course by a professional instructor and see what a real off-roader is capable of.

Children's events...

Those of you who wish to bring children will be pleased to hear that, as in previous years, there will also be activities to keep them entertained. Providing that your children are over 11 years old and 4'10" in height, they can take part in the following:

YoungDrive!

They will learn the driving basics from a DSA-approved instructor in a MINI One.

MudMaster 4x4

Let your child tackle our off-road course driven round by one of our professional instructors.

For children under the age of 11 years old we will have a mini fair and a children's entertainer.

How to book...

To make a reservation or to find out more information please log on to www.oultontpark.co.uk/villagesday2017

In order to take advantage of the driving experiences or high-speed passenger rides you will need to pay an advance donation of £10 per activity to a local charity as well as providing your name, address and the approximate time of day you would like to attend. Specific slot times will be allocated to you.

You can book online at the address above or by calling 01829 760301. Lines are open from 0900-1700 Monday to Friday.

Booking confirmation will be sent via email, which will need to be printed and presented to gain admission to the circuit. If you do not have access to the internet or personal email then your ticket can be collected direct from the Fogarty Moss Centre at Oulton Park between 09.00 and 17.00, Monday to Friday.

The MotorSport Vision team look forward to welcoming you to Oulton Park on Sunday 9 July 2017.
